FIRST BECAUSE WE CARE

LUXURY WHITENING

EN

BLACK LUX is the innovative whitening toothpaste of the Curasept Luxury line. An exclusive formulation with Bioactive Charcoal, Polyvinylpyrrolidone and Hydrogen Peroxide, Carbamide Peroxide, ozonised Olive Oil and Replaced Hydroxyapatite, for a unique whitening action. It acts on tooth discolouration, absorbs pigmenting substances, and remineralises tooth enamel. The result: a bright, white smile and an anti-ageing action on tooth enamel that only Curasept research can offer you.

GOLD LUX is the innovative whitening toothpaste of the Curasept Luxury line. An exclusive formulation with Polyvinylpyrrolidone and Hydrogen Peroxide, Carbamide Peroxide, ozonised Olive Oil, Replaced Hydroxyapatite, Colloidal gold and silver for a unique whitening action. It acts on tooth discolouration, absorbs pigmenting substances, and remineralises tooth enamel. The result: a bright, white smile and an anti-ageing action on tooth enamel that only Curasept research can offer you.

WHITE LUX is the innovative whitening toothpaste of the Curasept Luxury line. An exclusive formulation with Bioactive Charcoal, Polyvinylpyrrolidone and Hydrogen Peroxide, Carbamide Peroxide, ozonised Olive Oil and Replaced Hydroxyapatite, for a unique whitening action. It acts on tooth discolouration, absorbs pigmenting substances, and remineralises tooth enamel. The result: a bright, white smile and an anti-ageing action on tooth enamel that only Curasept research can offer you.

BLACK, GOLD, and WHITE LUX TOOTHBRUSHES

The whitening action of Black, Gold and White Lux toothpastes can be optimised by the daily use of Curasept Luxury toothbrushes with Active Charcoal bristles that help remove pigmenting substances. A synergistic action that ensures even more evident results, when combined with the efficacy of the toothpaste.

HOW TO USE:

Adult toothpaste. It can be used for daily oral hygiene, 2 times a day for 20-day cycles that can be repeated monthly.

WARNINGS:

- Do not swallow - for external use only
- Keep out of the reach of children
- Keep away from light and heat sources
- Contains Sodium Fluoride (1450 ppm F⁻).
